

FALL 2021 COURSES

SOCIOLOGY

SOCY 101: Introduction to Sociology

Have you ever wondered why people behave the way they do? In this class you will gain a scientific understanding of the social world by observing human behavior, including culture, socialization, social inequality, and more, through the window of the sociological perspective—the deeper understanding of how society affects you and how you affect society. The Honors version of this course is HONS 167. Students will not receive credit for both.
